# BOYS & GIRLS CLUBS OF SPOKANE COUNTY

Since 2001, the Boys & Girls Clubs of Spokane County has provided thousands of young people with a safe and positive place to go throughout the year when schools are closed. We provide a wide range of impactful programs to thousands of local kids and teens at various Clubhouse and program extension locations.

To reduce cost as an obstacle for families, we maintain a \$30/year membership fee and the lowest out-of-school weekly rates compared to any other youth development program in all of Spokane. The success of Doors to Dreams ensures we continue to keep costs low, as well as address new challenges and demands as they arise. The need for Boys & Girls Clubs is greater than ever before and our mission is at the heart of everything we do. Please join us in making Great Futures a reality for our youth!

*"To empower all young people, especially those who need us most, to reach their full potential through opportunities to realize Academic Success, Healthy Lifestyles, and Good Character and Citizenship."*
